About Hyundai Motor

Established in 1967, Hyundai Motor Company is committed to becoming a lifetime partner in automobiles and beyond. The company leads the Hyundai Motor Group, an innovative business structure capable of circulating resources from molten iron to finished cars. Hyundai Motor has eight manufacturing bases and seven design & technical centres worldwide and in 2017 sold 4.5 million vehicles globally. With more than 110,000 employees worldwide, Hyundai Motor continues to enhance its product line-up with localized models and strives to strengthen its leadership in clean technology.

About Hyundai Motor UK

Hyundai has sold vehicles in the UK since 1982. In 2005, Hyundai opened its own UK subsidiary, Hyundai Motor UK Ltd, based in High Wycombe. Since 2008, the company has risen from 23rd to one of the top 10 car manufacturers in the UK and last year sold 90,000 vehicles with a 3.8% market share. Hyundai Motor UK employs more than 3,000 people through its UK operations and dealer network. Hyundai offers consumers a range of technically advanced vehicles from the electrified IONIQ range, the 279 mile range KONA Electric and the hydrogen fuel cell NEXO, as well as award winning vehicles such as the i10 city car, the high performance N range and the trusted and capable SUV ranges of KONA, Tucson and Santa Fe. All passenger cars come with Hyundai's industry-leading 5 Year Unlimited Mileage Warranty package. Further information about Hyundai and its products is available at www.hyundai.co.uk.
